SUMMARY

Motivated IT student with strong knowledge in computer science fundamentals, web development, and database management. Skilled in Python, Java, and SQL with hands-on experience building small projects using Flask and HTML/CSS. Passionate about learning emerging technologies such as cloud computing and cybersecurity. Excellent problem-solving and teamwork abilities, seeking an internship to apply technical skills and gain real-world industry exposure.

TECHNICAL SKILLS

Programming Languages: Python, Java, PHP, C++, MySQL, HTML, CSS, javascript, C

Deep Learning Frameworks: Flask, Django, Tensorflow

Libraries & Tools: VSCode, Pycharm, Docker, MySQL Workbench, OpenCV, Git

PROJECTS

portfolio

march 2026 -present

HTML, CSS, Javascript, python, Flask, MySQL

- Built a responsive personal portfolio website using HTML, CSS, and Flask to showcase projects and skills
- Integrated a login system with Python Flask backend and connected it to frontend forms for authentication
- Added resume download option (PDF format) and linked project pages for easy navigation

Elegant Jewels E-Commerce

Aug 2022 – Dec 2022

HTML, CSS, Python, Flask

- Developed a responsive jewellery shopping website using HTML, CSS, Flask, and MySQL
- Implemented secure login and user authentication system
- Designed product catalog with interactive filters and search functionality

EXPERIENCE

cloud computing Intern

Bangalore

- Assisted in deploying applications on AWS cloud and managed EC2 instances
- Configured virtual machines and storage solutions for scalable performance
- Implemented cloud security practices including IAM roles and access policies

EDUCATION

B.E INFORMATION TECHNOLOGY

2024-2028

Annamalai University - Chidambaram, Cuddalore District

CGPA 9.56

HSC

2023-2024

ST Andrew's matric.high.sec.school, Thirumanthurai, Perambalur District

secured 86 percentage

SSLC

2021-2022

A.V.M Marimuthu Nadar.high.sec.school, Vilampatti, Viruthunagar Didtrict

secured 88 percentage

JEE MAIN

2024

secured 84 percentile

CERTIFICATIONS

- NPTEL: Blockchain and its Applications
- NPTEL: Introduction to Industrial 4.0
